Objective:

MERN Stack Developer with expertise in React.js, Node.js, Express.js, and MongoDB. Skilled in building full-stack applications, with a focus on e-commerce platforms, secure payment integrations, and optimized state management using modern technologies.

Skills:

- C++, DSA, Javascript, Node, Express, MongoDB, React, Redux, Zustand, Tailwind, VS Code, GitHub

Project:

E-Commerce (MERN Stack)

- Built a full-featured e-commerce platform with product listing, filtering, authentication, and secure Stripe payments.
- Utilized Cloudinary for media management, Zustand for state management, and Redis for caching.
- JWT-based authentication and MongoDB for database handling.

Ongoing Projects:

Unscripted India (MERN Stack)

- Building a content-driven platform on Indian history and culture with an admin dashboard for article/image uploads (Cloudinary), MongoDB-based storage, REST API (Express.js), authentication, rich text editor, and a React + Tailwind frontend.

Netflix Clone (MERN Stack)

- Currently developing a Netflix clone using React, Node.js, Express, and MongoDB.
- Focus on user authentication, media streaming, and state management with Zustand.

LinkedIn Clone (MERN Stack)

- Developing a LinkedIn clone with a focus on user profiles, connections, and job postings.
- Implements authentication, real-time updates, and data management using React, Node.js, Express, and MongoDB.

C++ OpenCV Face Recognition

- Developing a face recognition system using C++ and OpenCV.

Education:

B.Tech (**ECE**) A.M.U (Aligarh) (2019)

Employment history:

Web Developer, Miles2Smile Foundation

APRIL 2022 - Mar 2025

- Maintained websites and optimized performance.
- Developed campaign pages using the MERN stack.
- Integrated secure payment systems and APIs.
- Designed components with React.js, Tailwind CSS, and Redux.

Language:

- English, Hindi and Urdu

Other Skills:

- Postman for API testing, Adobe Photoshop, Premiere Pro, After Effects, Canva.

Interest:

- Learning Python, exploring AI technologies. Enjoy poetry, table tennis, cycling and trekking.
